Dear Teachers:

We are making a special offer to assist you and your students who are planning a short visit to the Jamestown Glasshouse of 1608. As your schedule may not provide sufficient time for students to make a purchase, we can prepackage a low cost handcrafted glass paperweight in any quantity needed for your group. The paperweights can be purchased all at once and distributed to the students at a convenient time. The glass paperweights will be packaged in padded envelopes along with interpretive text. Your order will be ready to transport upon your arrival.

The imprinted paperweights are available in five different designs.

1. "Dated" features the current year, Jamestown, VA and the founding date, 1608.
2. "Ship" features an outline of a ship and reads: "Discover Jamestown"
3. "Glassblower" features a silhouette of a 17th century glassblower, current year, and the founding date, 1608.
4. "Pocahontas" is larger, featuring a silhouette of a "feather" and reads: "Jamestown, VA" and "Pocahontas"

You may place your order by completing and mailing the attached form.

Please give two weeks prior notice.

Sincerely,

Gwyn Johnson
